[Amazon.com: Customer reviews: Images of Organization](#)

[Images of Organization is deep stuff, and not recommended for the casual reader. I loved the exploration into different models of thinking about organizations, but not everyone will share my passion. Morgan organized this book well, every chapter ended with a brief "strengths and weaknesses" section of a different perspective on organizations.](#)

[CTI, LLC | Better Business Bureau® Profile](#)

[A leading Canadian University running a programme on Organization design has used this material and also drawn on the following: " Designing Effective Organizations. This is a UK book from Ashridge. Which contains nine tests of organizational design. A useful and more pragmatic resource, in its style than this book. \(See my other reviews\)](#)
