This is the extraordinary book that initiated the Harmonic Convergence in August 1987 and awakened the world to the Mayan Calendar. In it, Jose Arguelles revealed three revolutionary ideas: that a great moment of human transformation awaited us as we approached 2012; that there are galactic "seasons" and that the Maya accurately recorded them; and that each person had the capability to connect directly with the energy of a beam emanating from the galactic center that contains the power to ...

Jose Arguelles presents a harmonic balance of the nature of Energy and Mayan spirituality in "The Mayan Factor." Although some of the concepts can seem intimidating at first, Arguelles' masterful use of language allows the reader peel away the layers of traditional Western thought on the subject of Energy to reveal a core of Mayan philosophy steeped in spirituality.

5.0 out of 5 stars [The Mayan Factor : The Path Beyond Technology](#). Reviewed in the United States on February 16, 2013. Verified Purchase. This is a very complex, esoteric book. Describes the Mayan calendar, their account of DNA, and how they left their land in Central America. Not something for a secular person.

Jose Arguelles, "the man behind the 2012 phenomenon" first introduced the date December 21, 2012 into mass consciousness with the Harmonic Convergence and his book The Mayan Factor. Jose's 1989 discovery of the Law of Time has generated a number of fourth-dimensional tools to assist in the transition, including the 13-Moon, 28-day calendar, which is actually a synchro-meter, or measure of ...
